Atropos Press, United States, 2009. Paperback. Book Condition: New. New.. 214 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Simultaneously his most accessible and his most extreme book, Anthony Metivier s *The Tupperware Blitzkrieg* is a powerful concoction of sexual excess, self-deification and terminal violence. In this hallucinatory novel, plastic surgery, psychoanalysis and the pornography of American politics provide the hellish tableau in which Doctor Umbilico, founder of People for the Advancement of Lying turned PCP swilling nightmare priest of the surgical ward, executes biomorphical atrocities culminating in the capture and radical transformation of an eerily Bush-like apocalyptic president. Multiple characters tell the story of this twisted visionary as he careens forward with his own maniacal pitch for world domination. As *The Tupperware Blitzkrieg* hurtles toward its unforgettable conclusion, Metivier depicts the most sordid aspects of contemporary commercial life in a complex, obsessive, often poetic and disquieting chronicle of aesthetic anomie, erotic entropy and the surrealistic threat of cosmetic inefficiency. No reader of Metivier s most inflammatory work to date will emerge unscathed. Anthony Metivier is the author of *Solid as Echo*, *Anatomizing Regan*, *Lex Talionis Schadenfreude*, and the forthcoming novels *Babelantis*, *Die Brucke*, and *The Tragickal Historie of Doktor Fuse Less*. In addition to the audiobook version of *Anatomizing Regan*, he has released the spoken word albums *The Glass Snake*, *The Felicific Calculus* and *Techno-no*.
