Samhain Publishing. Paperback. Book Condition: New. Paperback. 264 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. Heroes don't always come packaged in shining armor. Grimms Circle. Two more mind-bending tales that will change the way you look at fairy tales forever. *Crazed Hearts* Out of necessity, Ren hides himself and his empathic ability far away from people. A woman finding her way to his wood is a surprise; his unexpected reaction to her is overwhelming. Aileas isn't sure what she's running from, but it killed her brother and a cursed book is connected. Then there's Ren, who seems to want something from her. And she wants him right back, shadows and all. At least, until he claims to be a guardian angel. And she thought she was going crazy. *Tarnished Knight* What does Jack need Grimm training for? Percy can see he's a one-man wrecking crew, and something more. Even covered in blood, he makes her feel more alive than she's felt in three centuries. Born with a natural talent for killing unnatural things, Jack has an unholy urge to see how fast he can turn Percy's "don't touch me" into "touch me there." When they come together, the cataclysm resurrects memories of a destined love from the distant past. And calls forth the evil that destroyed them once before. Warning: Dark, sexy, a little bit scary—these fairy tales are only for grownups and are best saved for bedtime. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
