

Emp Protection Plans Options: For Family, Community, Region, and National (Paperback)

By Don White

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.EMP Protection Plans Options (subtitle: for families, Communities, Regions, and the Nation) do not yet exist for America. Although the Internet is replete with Electromagnetic Pulse (EMP) articles, media, videos, etc. and its cataclysmic outcome ares are well known, no national EMP protection plan is yet available. Since the abdication of the Government's EMP fiduciary responsibility of protection plans continue, the EMP Survivalist and Preppers have already prepared for their own limited survival. Limited, because they are without electricity, have post-EMP burned-out electronics, and nearly everything doesn't work. Survival with some degree of recovered lifestyle, greatly increases with (1) EMP preparation group size (circle-the wagon concept) instead of limited to single family with no one else to share loads, costs and survival, (2) long-distance provisioning for vitals replenishments, and (3) protected operational solar rooftops for electricity for lighting, water pumps, fans, communications, etc. The major plan, is orchestrated at state level and executed at county level in two phases. Phase I, two years, is building of eight EMP protected villages in different parts of the country...
