This work draws from historical figures and everyday people from John's life, creating a powerful poetic testimony. In revolutionary fashion John defies both the politics of the day and the modern style of poetry. The poems are written in a wide variety of styles, and rhyming is prominent. Passion and purpose abounds in these words. With over forty of the poems previously published, this work constitutes John's best, including the award winning poem Tea with Joe Hill. If you want something to inspire you to change the world, this book is a must. Take a journey into the lives of the bottom one percent. The poor.
