Brand New Book ***** Print on Demand *****.Excerpt from Life of Theobald Wolfe Tone Ireland in olden times was a free and highly civilised country. It had local government and Imperial Government; a judicial system of a very satisfactory nature; educational advantages sufficient to attract princes and scholars from other countries to it as a seat of learning. Enlarging her influence beyond her own island borders, she had sent forth invasions, and had settled colonies in the adjacent island now called Great Britain. She had done greater service to the world by sending forth apostles to Christianise Western Europe, and by stemming the tide of Paganism which swept in with the Danish invasions up till the tenth century. In the twelfth century, weakened by the dissensions which existed between her great Royal houses, the O Neills and O Briens, Ireland herself became the prey of the invader. Since that time she has been struggling in the grasp of England - never quieting into perfect submission, never quite breaking free. With the exile and death of Hugh O Neill and his sons, Ireland's dream of a native Royal dynasty faded. The coming of Owen Roe and his career of victory revived it; but when women caoined around his corpse in the Lake Castle of Cavan on that sad St. Leonard s Day they wailed the dirge of the last native chief who might have been King of Ireland. The wars in Ireland after this were on behalf of the Stuarts. For Righ Shemus, the Catholic King, whose rule would have meant freedom to exercise their faith, Irish blood was freely spilt at Aughrim and the Boyne, before the Walls of Derry and behind those...
