No answers, no help, no comfort, I felt abandoned, lost and forsaken; why continue to believe He was real when my life didn t bear witness to that reality? In a moment of profound despair and severe pain I told Him to get out of my life. and He did. The only reason we live and have our being is because of His breath in us and His life had just left me.I felt Him leave. For 24 hours I was a walking dead person. The empty void of nothingness though, was worse than the despair and pain, so finally I begged Him to come back to me. and He did. From that moment began a most incredible adventure of discovering intimacy with my heavenly daddy, Yahovah; my beloved bridegroom, Yashua; and my constant companion, the Holy Spirit. God wants us to know the depth of His love and mercy for us. He is so much more than a fairy god-mother with a magic wand or a cosmic vending machine that dispenses requests when the proper amount of coinage is deposited. I invite you to open the pages of this book and begin to discover the wonder Yahovah has waiting for you! Great Need x Great Flow = Great Power! Shirley Rees and her husband travel around the world telling the stories of scripture. lest we forget. Together, they are The Peregrinnatti, Harpist and Storyteller.
