Leonard Zagurskie, JR., United States, 2011. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Book Description Advance Warning, The Rise of Individualism Advance Warning What happened to all the jobs? What happened to all the prosperity Americans enjoyed? What is needed to get it all back? In Advance Warning, the background is presented, the cause is identified and a solution is advocated which will restore the American dollar and buying power to the American people and achieve prosperity. Advance Warning provides a unique analysis, de-mystifies economics, provides insightful observations and advocates the common sense solution to return to the days of prosperity means to return to the traditional policies of prosperity. The traditional policies of prosperity restore and regain profit in America, revitalize ongoing economic activity, increase economic growth and increased profit not only for benefit of the American people but also for the wealthy elitists and resolves the Federal debt crisis for the bankers and the politicians. America needs to abandon the income tax system completely and return to the collecting taxes off of foreigners that are importing products into the United States. Taxing the imports (called a tariff) would not only provide the needed funds for the national debt, provide more disposable income to Americans but also would level the playing field with foreign importers allowing American industries to come back. Also the property rights, minerals, gas, oil and other natural resources which by state statutes in the 1970 s became owned, regulated and operated by state agencies need to be accounted for and begin to get credited to the American people. These credits could be applied to pay the electric bill for all Americans. Immediately commence rebuilding the electrical grids, placing all distribution cables underground. Underground cables...
