Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Words For Letters carries you into the heart of personal letter writing. Do you have room in your life for a little more excitement? If you just answered yes, this book is for you. Learn how to form a raiding party; lead a rebellion; understand how pens think and act. Secrets are uncovered and golden rules revealed. Letters are the passport into your friends feelings. Is there someone in your life who, right now, would welcome your attention? Discover how to write engaging personal letters. No prior knowledge or experience is needed - just a warm and willing heart. Hang-ups on technical issues like spelling and grammar are forbidden! This is not a book of templates; you will learn basic layout and follow simple steps on preparing and writing various types of personal correspondence. Different letter samples are explained; and you are encouraged to develop your own letter writing style. This book's goal is to help you and your friends start experiencing the delights of both writing and reading personal letters.
