

Let s Count Bugs!: A Counting, Coloring and Drawing Book for Kids (Paperback)

By Stacy Brown

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 216 mm.

Language: English . Brand New Book ***** Print on Demand *****. Learning is always more fun with bugs! Your toddler will love learning about numbers, colors and drawing tips in this fun, interactive book and coloring journal. Filled with colorful, vibrant illustrations and coloring pages as well. Your child will feel like they have contributed to the book when they see their works of art on the pages - a special memory for you to share together! Recognizing colors and identifying color names is an important part of a child's development. This book will help teach toddlers their numbers and colors, and reinforce lessons they've already learned in preschool. In the back of the book you will find drawing tips to teach children how to draw their own bugs, as well as coloring book pages for coloring activities. A creative activity your little one will love! A great gift for baby showers, birthdays, holidays, or even just a road trip to visit Grandma and Grandpa. With a new box of crayons, your child will light up when they open the book for the first...

Reviews

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.

-- Dalton Mertz

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.
