

## Culture of Indigo in Asia: Plant Product Power

By Kapila Vatsyayan (Ed.) & Gopalkrishna Gandhi (Frwd)

Niyogi Books, New Delhi, India. Softcover. Book Condition: New. As an integral part of the historical and socio-cultural fabric of the Asian subcontinent, indigo has served as a backdrop to religion, politics, trade, art forms and society, particularly in India. Culture of Indigo: Plant, Product, Power takes the reader on a timeline tour, with details of the plants cultivation and production process. Highlights of indigos commercial use and impact on fine arts, architecture, trade, heritage as well as an in-depth analysis of its resurgence in the wake of environmental concerns enrich the reading experience substantially. With contributions from globally-renowned scholars and art connoisseurs, the inherent politics and pleasures associated with indigo come alive. Vivid illustrations, insightful analysis and extensively-researched text hold promise for readers who cannot resist the chequered lineage of Indigo as a plant, a product and a phenomenon. This book will be useful for students and academicians on the history, politics, and commercialization of indigo. Printed Pages: 316 with 101 colour photographs.

### Reviews

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*

-- **Matilda Hoeger V**

*It is really an awesome pdf that I actually have actually study. It really is basic but excitement from the 50 % of the publication. I am delighted to inform you that here is the greatest book i have read through within my individual existence and can be he finest publication for actually.*
