

## 7,000 Multiplication Problems Practice Workbook: Improve Your Math Fluency Series (Paperback)

Filesize: 9.48 MB

### Reviews

*It is a single of my favorite pdf. Yes, it is engaging, still an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

## 7,000 MULTIPLICATION PROBLEMS PRACTICE WORKBOOK: IMPROVE YOUR MATH FLUENCY SERIES (PAPERBACK)

DOWNLOAD PDF

Createspace, United States, 2009. Paperback. Book Condition: New. Workbook. 254 x 198 mm. Language: English. . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. AUTHOR Chris McMullen earned his Ph.D. in physics from Oklahoma State University and currently teaches physics at Northwestern State University of Louisiana. He developed the Improve Your Math Fluency series of workbooks to help students become more fluent in basic math skills. CONTENTS This practice book is designed to help students develop proficiency with their multiplication skills by offering ample practice. This book is conveniently divided up into four parts: Part 1 reviews single-digit multiplication facts since swift knowledge of these is critical toward multiplication mastery. Part 2 is limited to multi-digit numbers times single-digit numbers. This way students are not challenged with too much too soon. Part 3 focuses on two-digit multiplication. Part 4 features a variety of multi-digit multiplication problems. An introduction describes how parents and teachers can help students make the most of this workbook. A multiplication table is provided to help students who are just learning their multiplication facts. PRACTICE This is a practice workbook geared toward practicing problem-solving skills. As such, it consists of worksheets with practice problems in the spirit of old-fashioned practice sheets. This is suitable for students who need to practice basic skills, and is effective for many students. It is not one of the modern math textbooks that are designed to entertain bored students. PHOTOCOPIES The copyright notice permits parents/teachers who purchase one copy or borrow one copy from a library to make photocopies for their own children/students only. This is very convenient if you have multiple children/students or if a child/student needs additional practice.
