Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from **Exercices Franca Is Oraux Et Ecrits: Etude Pratique de la Grammaire, Formation Et Extension du Vocabulaire, Invention Et Construction de Phrases, Morceaux Choisis, Themes, Redactions Et Lettres, Avec Precis de Grammaire** The present Exercises are intended to provide material for the study of the French language in a manner and in a form which, the author believes, will prove especially well adapted to meet the needs of the present aspirations of the teaching body. He, accordingly, feels justified in adding these books to the valuable texts already in existence and hopes that his fellow teachers will find the volumes helpful. The work is composed of complete and independent courses based on the principle of concentric circles. They are to be used in French courses following the first year. 1. Grammar practice. Sixty lessons in each volume contain a large number of sentences each of which is chosen to bring out a definite grammatical point and most of which contain in addition thoughts which in themselves possess an educational value. 2. Vocabulary building. With a view to increasing the working Vocabulary of the student, words are taught through definitions, through association of ideas, by means of synonyms and antonyms and through a great variety of derivations and transformations. 3. Formation of sentences. Practice in sentence construction is given through the medium of contrasted ideas, paraphrasing, and questions based upon short texts selected from the best French authors. These texts provide at the same time helpful material for study and reading aloud. 4. Letters and free compositions. In every fourth lesson, outlines are presented for development by the student.
