Think of this book as Dr. Seuss does with reality. It takes things going on in the world and while rhyming can tell you a story. Some will make you laugh and some make you cry, but hopefully it'll make you wonder. Then maybe a poem will touch you and make you want to make yourself a better person. Just like music, some songs move you and some you skip. These poems I hope will do the same thing. With religion, humor, and world incidents all coming together, they make a book of poems to remember. The last poem titled THE END was one of the very hardest ones to do because I don't know what really happens after you die I just knew it was something I had to try. Once you read it it'll make you think, I pray, which direction in life you want to take.
