But a few weeks elapsed before this newly awakened interest manifested itself in a large increase of supplies. Cheering letters were daily received; not unfrequently announcing the uniting of aid societies as auxiliaries of our Branch; which societies have been our stay and our strength. Month after month, the fruit of their faithful and systematic labors has replenished our store-rooms; and their earnest appreciative letters quickened our hearts anew to the great work which has fallen upon the women of our land. Words fail us in expressing all we owe them - ties of the warmest friendship have been formed between those who had never met, and will endure, we trust, when the common interest that now unites us, shall no longer need our sympathy and our support. But nobly as the women of Pennsylvania have responded to our call upon them, there is still more to accomplish. We shall not be satisfied until every township in each county has been heard from in the way of contributions. Out of twenty-seven townships, in Susquehannah county, twenty-five have already sent us supplies. We hope that other counties will, in the year upon which we have entered, emulate its example. We take great pleasure in referring to the increased energy and interest in the cause of the Sanitary Commission, evinced in New Jersey and Delaware.
