Brand New Book ***** Print on Demand *****.In Volume One of the Authors Snarkopaedia, sentences have been painstakingly crafted together using nouns, verbs and other words, bringing you paragraphs of text. These paragraphs flow into pages of expert tips, advice and insight for authors at all levels of the publication food chain. Any book can claim to offer this type of information, but they can't give you what sets the Indies Unlimited Authors Snarkopaedia above the rest: the je ne sais squat of the high decorated staff of the Snarkology Department at the Indies Unlimited Online Academy. Their groundbreaking and empirical research over the years sheds new and snarkified light on subjects ranging from book publishing and marketing to the nuts and bolts of writing and technology. If you like information to grab you by the throat and smack you in the face, the Indies Unlimited Authors Snarkopaedia is the reference book for you.
