Glued binding. 248 p. Audience: General/trade. Ever wonder what lies beyond the doors, fences, and ladders you pass every day? This book takes you behind the scenes to little-known urban spaces like utility tunnels, rooftops, abandoned buildings, construction sites, and storm drains, unveiling the possibilities--and perils--of the world of urban exploration. In total, 25 issues were published covering such urban exploration topics as the navigation of storm drains, evading hotel security and adventuring through abandoned military shelters. He also launched infiltration (dot) org, an online version of the zine, in 1996. His book, Access All Areas: a user's guide to the art of urban exploration, was published in July 2005, shortly before his death. book serves as a how-to-guide to urban exploration...
