She is abducted and thrown into a dark world of heroin dens and sex trafficking where her only hope of survival lies with a man she has never met. She quickly learns that her virginity commands a high price from her and anyone willing to pay that price. In a world full of erotic dreams shrouded in heroin, reality and fantasy dance together on the edge of sanity. Those who have taken her sell women to the highest bidder and move in a criminal underworld where human life is valued in cold hard cash. Casey isn't the only one fighting to survive, another girl's life is in the balance and inextricably tied to the decisions Casey must make. The dark side of power, money, and sex collide in the shadows, behind closed doors and in the corners of society. No one searches the shadows for those who are lost. Sometimes the light chases the shadow and brightens the darkness but for some it may be too late.
