Jaico Publishing House 0. Softcover. Book Condition: New. 11 x 18 cm. Think your mental muscles are in good shape? Here's a true test of your reasoning strength and agility - 75 utterly original and totally tantalizing brainteasers from master puzzler George J. Summers. Summers finds fascinating challenges in situations as common as a game of tic-tac-toe or tennis, or as strange as a land of habitual Truthtellers and Liars. Whether he is dealing with seating at a party, scoring in a game of darts, or picking winners in a race, Summers constructs a perplexing mystery, the solution to which dangles just out of reach, waiting for the logical leap which brings the answer, and then, of course, you'll find a selection of straight murder mysteries - a victim, a perpetrator, some clues, and a perceptive puzzler to sort it out - that's you! If you're stuck, don't worry-there is a helpful Solution Scheme for every brainteaser (a feature that is unique to Summer's books) and detailed answers that show you step by step how each Teaser or Puzzler is unravelled.
