I have found, in my travels, hospitably flows naturally from a deep reservoir of identity. People who know who they are and where they came from seem to be able to entertain effortlessly. In tune with their history and culture, they are relaxed with their values and have an intuitive understanding of their environment. Its as simple as the farmers wife who gathers eggs to make French toast for you. She is not apologetic for what she does or does not have. She just shares her best. And its enough. It reflects who she is and where she comes from. This is place. This item ships from La Vergne, TN. Paperback.
